NOV 07

Punched Up Place Settings

by Jessica Wednesday, November 07, 2007 4:04 PM [Edit](#)

[\[Edit Tags\]](#)

Paper napkins have no place at my dinner table, so I love collecting a wide variety of cloth napkins. I stumbled across these [simple, but punchy and bright napkins](#) during an afternoon of surfing/online shopping. They'd be great for everyday dining or an intimate dinner party. Plus, I'm such a sucker for anything red.

Does anyone have any great kitchen textile finds like napkins, tablecloths, or whatever? Share below.
