We're all becoming more aware of the waste we create these days, but sometimes the ease of paper plate and paper napkin entertaining can outweigh the more eco-conscious side of your personality.

For instance, these [French Bull paper sets](#), available in a variety of prints, are whimsical and fun and I'd love to whip these great patterns out at my next casual party. Luckily, these great paper plate patterns are also available in [re-usable and dishwasher safe](#)

[plastic](#).

Do you still use paper plates for your casual affairs or does all that waste get the better of your conscience? Share your thoughts below.
